August 1st in the Southern Hemisphere, is considered to be the Horses Birthday.

What are some of the teachings in which horses can help, heal and empower us?

Being Present.

Horses live in the here and now and do not worry about the past or the future. Horses have a contentment and peace that we desire in our lives.

Being present de-emphasizes our worries about what has happened in the past and increases our awareness that the past is history. Being present also diminishes our worries about future events that are possibly out of our control. Being present is an ability to go with the flow of nature. Learning to go with the flow with our horses will expand our openness without predetermined expectations.

The peace we obtain from the contentment of being present is the foundation of connectedness, compassion and relationship enhancement. An inner state of calm and well-being enhances our serenity and diminishes anger, violence and worry. Horses teach us to be aware, assess a situation, find a solution and go back to just being in the present

Horses teach us that living in the moment can bring us peace, serenity and connection.

We hope that the year ahead for you will be as good as a better one.....

**LAUGHTER REALLY IS THE BEST MEDICINE.....
.....YOUR CONTRIBUTIONS ARE INVITED**

Joe's wife loved to sing so, she joined the church choir. From time to time she would practice while she was preparing the evening meal. Whenever she would start on a song Joe would head outside to the porch rocking chair. One day his wife, with hurt feelings said "What's the matter Joe, don't you like my singing?" Joe replied, "Honey, I love your singing, but I just want to make sure the neighbours know that I'm not beating you"

PERCEPTIONS...

A LITTLE GIRL WALKED DAILY TO AND FROM SCHOOL. Though the weather that day was questionable and clouds were forming, she made her daily trip to school as usual. As the afternoon progressed, the winds whipped, up along with thunder and lightning. He mother of the little girl felt concerned that her daughter would be frightened as she walked home from school, and she herself feared that the electrical storm might harm her child.

Following the roar of thunder, lightning, like a flaming sword would cut through the sky. Full of concern the mother quickly got in her car and drove along the route to her child's school. As she did so, she saw her little girl walking along, but at each flash of lightning, the child would stop, look up and smile.

Another and another were to follow quickly, each with the little girl stopping, looking up and smiling. Finally, the mother called over to her child and asked "what are you doing?"

The child answered, "smiling, God just keeps taking pictures of me."

After being married for thirty years, a wife asked her husband to describe her. He looked at her for a while, and then said, "You're A,B,C,D,E,F,G,H,I,J,K." She asks "What does that mean?" He Said, "Adorable, Beautiful, Cute, Delightful, Elegant Foxy, Gorgeous, Hot." She smiled happily and said... "Oh, that's so lovely... What about I, J, K?" He Said "I'm, Just, Kidding." The swelling in his eye is going down and the doctor is fairly optimistic about saving his family jewels.

CREATION

God was missing for six days. Eventually, Michael, the archangel, found him, resting on the seventh day. He inquired, --- "Where have you been?" God smiled deeply and proudly pointed downwards through the clouds, --- "Look, Michael. Look what I've made." Archangel Michael looked puzzled, and said, ---- "What is it?" "It's a planet," --- replied God, --- and I've put life on it. I'm going to call it Earth and it's going to be a place to test 'Balance.'" "Balance?" --- inquired Michael, ---- "I'm still confused." God explained, pointing to different parts of Earth. "For example, northern Europe will be a place of great opportunity and wealth, while southern Europe is going to be poor. Over here I've placed a continent of white people, and over there is a continent of black people. Balance in all things..." God continued pointing to different countries. --- "This one will be extremely hot, while this one will be very cold and covered in ice." The Archangel, impressed by God's work, then pointed to a land area and said, --- "What's that one?" "That's Perth, the most glorious place on earth. There are beautiful trees and gardens, a beautiful river, and days filled with sunshine. The people from Perth are going to be handsome, modest, intelligent, and humorous, and they are going to travel the world. They will be extremely sociable, hardworking, high achieving, carriers of peace, and producers of good things." Michael gasped in wonder and admiration, but then asked, --- "But what about balance, God? You said there would be 'balance.'" God smiled, --- "I will create Canberra Wait till you see the idiots I'll put there.".....

THOUGHT FOR THE DAY.....

Many people live under the illusion that they have none.

-- Hubert Ries
