- OR Overheads, Psychometry etc.
- Notices
- Benediction (closing prayer/blessing) and closing Song or Hymn
- Tea and Coffee and a chat

The glorification of busy will destroy us. Without space for healing, without time for reflection, without an opportunity to surrender, we risk a complete disconnect from the authentic self. We burn out on the fuels of wilfulness, and eventually cannot find our way back to centre. And when we lose contact with our core, we are ripe for the picking by the unconscious media and other market forces. After all, consumerism preys on the uncentered. The farther we are from our intuitive knowing, the more easily manipulated we are. The more likely we are to make decisions and affix to goals that don't serve our healing and transformation. To combat this, we have to form the conscious intention to prioritize our inner life. To notice our breath, our bodies, our feelings. To step back from the fires of overwhelm and remember ourselves. It may feel counter-intuitive in a culture that is speed-addicted, but the slower we move, the faster we return home..... JEFF BROWN

NOTICES:

On May 21st between 2 & 4 pm prior to the church service we are holding a 2 hour practice session for those wishing to work with/practice their abilities in the psychic realms. This is for practice, not readings or development, although that will occur if you keep practicing.
Cost is by Gold Coin Donation.
Bring a plate (if you like) and an open mind.

HAPPY BIRTHDAY & Best Wishes to all our friends who are celebrating in May/June. We hope that the coming year brings the positive change that fulfils the inner self..

SUPPORT YOUR CHURCH: Feel free to come and help set up, clear up, wash up, bring a friend, bring a plate (with something on it) for supper, flowers from your garden, host a service, whatever makes you feel good...all contributions very much appreciated.

PADDY & MICK

Paddy and Mick are two Irishmen working at the local sawmill.

One day, Mick slips and his arm gets caught and severed by the big bench saw.

Paddy quickly puts the limb in a plastic bag and rushes it and Mick to the local hospital.

Next day, Paddy goes to the hospital and asks after Mick.

The nurse says, 'Oh he's out in Rehab exercising'.

Paddy couldn't believe it, but here's Mick out the back exercising his now re-attached arm.

The very next day he's back at work in the saw mill.

A couple of days go by, and then Mick slips and severs his leg on another bloody big saw thingamabob.

So Paddy puts the limb in a plastic bag and rushes it and Mick off to hospital.

Next day he calls in to see him and asks the nurse how he is.

The nurse replies, 'He's out in the Rehab again exercising'.

And sure enough, here's Mick out there doing some serious work on the treadmill.

And very soon Mick comes back to work.

But, as usual, within a couple of days he has another accident and severs his head.

Wearily Paddy puts the head in a plastic bag and transports it and Mick to hospital.

Next day he goes in and asks the nurse how Mick is.

The nurse breaks down and cries and says, 'He's dead.'

Paddy is shocked, but not surprised. 'I suppose the saw finally did him in.'

'No', says the nurse, 'Some dopey b*stard put his head in a plastic bag and he suffocated'

Call for backup

A police recruit was asked during the exam, 'What would you do if you had to arrest your own mother?'

He answered, 'Call for backup.'

Sign of the times?

A little boy goes to his father and asks "Daddy, how was I born?"

The father answers: "Well son, I guess one day you will need to find out anyway!"

Your Mom and I first got together in a chat room on Yahoo.

Then I set up a date via e-mail with your Mom and we met at a cyber-cafe.

We sneaked into a secluded room, where your mother agreed to a download from my hard drive.

As soon as I was ready to upload, we discovered that neither one of us had used a firewall, and since it was too late to hit the delete button, nine months later a little Pop-Up appeared that said:

'You got Male!'"

Picking up things!

Miss Jones had just given her second-grade students a science lesson.

She had explained about magnets, and showed how they would pick up nails and other bits of iron.

Now it was question time.

Miss Jones said, "My name begins with the letter 'M' and I pick up things. What am I?"

A little boy in the front row proudly said, "You're a mother!"

THOUGHT FOR THE DAY
